

CHATEAU DE PEZ 2015

Bursting with black fruit, don't you think?

The wine is rich, full-bodied and lingers on the palate. And those Morello cherry and blackcurrant notes? Enjoy the sweetness of the finish.

The weather was perfect until a historic drought in July. The much-welcome rainfall in late summer heralded the harvest on the 15<sup>th</sup> of September which drew to a close on the 8<sup>th</sup> of October.
