

CHATEAU DE PEZ 2016

Aromas of blackcurrant, Morello cherry and liquorice. Can you sense all the mineral notes?

The wine is rich and complex on the palate. Do you like this balance between concentration and harmony, power and refinement, classy and precise tannins?

The winter was mild and wet. Throughout the summer, which was dry from the 20<sup>th</sup> of June onwards, the clay-limestone subsoil played a strong moderating role. The grapes were harvested at peak ripeness from the 20<sup>th</sup> of September to the 18<sup>th</sup> of October.

**42 %**
