

CHATEAU DE PEZ 2018

Do you get the sense of Morello cherry and dark tobacco? And liquorice and peony notes?

So complex on the palate, don't you find? Yes, expressive violet and fresh blackcurrant!
And that deliciously flavourful finish... Pay close attention to the citrusy thyme notes
and that touch of bitter orange zest.

The winter was cold and wet followed by a mild month of April. Pez was fortunately spared the storms and hail.
The summer heat made for drawn-out véraison (colour change) and the harvest lasted
from the 18th of September to the 9th of October.
