

Do you get the notes of red fruit (strawberry and cherry) with spicy overtones.  
A delicious nose, don't you think?

Have you noticed this very attractive and creamy long palate, underpinned by ripe tannins?  
The fleshy Merlot smoothly coats the precisely structured Cabernet Sauvignon, a hallmark of the vintage.

Despite the impression of a gloomy spring and summer, with several cold and rainy spells, particularly between June and August, 2023 was one of the driest years in modern history.  
The harvest took place from 7 to 28 September 2023. Excellent weather conditions during the harvest meant pickers could wait until the ideal time to harvest the grapes, according to the technological and phenolic ripeness achieved in each plot.
